

Bar Secretary position on GMC 2023

My statement as follows:

"As many of you may know, I have been a member since 1991!
During this period I have held posts on the GMC as Squash Secretary, Bar Secretary, and squash member. I have assisted in the organisation of many social events, such as speaker's evenings, film club showings and also wine tastings and Oktoberfest events, not to mention nine years of Christmas Day openings with a fellow volunteer.
I believe my experience and enthusiasm for social events and my knowledge in bar matters gives me an insight into our members' priorities when it comes to the way the bar is stocked and, together with the general manager, organised and run .

Should I be elected as Bar Secretary on the GMC I will endeavour to do my best in assisting the Chair and fellow colleagues to make sensible and practical decisions for the benefit of all club members.

I hope you will vote for me."
